OPERATION OF CONTEST RULES

Mud Bog

1. All contestants at every event must sign a release and entry form, understanding that they are competing at their own risk and that they will not bring suit against any officials, employees, Promoter, and/or property owner. By signing the release and entry forms you agree to all rules set forth and warrant that your vehicle meets all the requirements for this class.
2. **A contestant may be disqualified for either emotional or physical reasons by Competition Director or track officials. Example:** Disrespecting Buck Motorsports Park Staff, causing an aggressive scene, recklessness, drugs or drinking alcoholic beverages. Any driver or any of his or her pit crew consuming an intoxicating agent, and/or drugs, prior to or during the event will be disqualified from the event. Drivers will be held responsible for the actions of their crew!
3. **Tech officials reserve the right to revise and alter rules throughout the season.**
4. **All competitors ages 16 and 17 years old. MUST hold a Valid State Driver's License in order to compete. As well as have a parent or legal guardian signed competition release form.**
5. **ALL competitors must have a state issued Identification Card.**
6. All vehicles must pass tech inspection before competing. If presiding officials determine a vehicle is unsafe, officials have the right to not allow vehicle to compete. Tech inspection area closes one hour before event is scheduled to start.
7. Only one registration per vehicle will be allowed. No vehicle changes will be permitted once registration has closed. Officials reserve the right to approve or reject all entry applications.
8. Registration & Inspection closes 90minutes before event is scheduled to start.
9. All drivers must attend driver's meeting approximately 1 hour before event starts.
10. A vehicle cannot be registered after driver's meeting unless approved by track official.
11. Competition vehicles must be always operated in a safe manner within the confines of the track, pit area and staging areas. Track officials have the right to stop and disqualify any vehicles not being operated in a safe manner. Pit area speed 5 MPH.
12. Any time the competition vehicle's engine is running, (pits, staging area, track, etc), a driver must be in the drivers' seat. No exceptions, automatic disqualification.

13. Vehicle **MUST** have a fully operational Neutral Safety Switch. As well as a Clutch Safety Switch if the vehicle is equipped with a Manual Transmission. You **WILL NOT** be allowed to compete if these Safety Switches are not functional.
14. No Riders! allowed in bed of vehicle when driven or towed in pit area.
15. Only track officials allowed at track side during competition. No riders in vehicle during competition.
16. All contestants must drive vehicle onto track and into position to compete under its own power and must leave track under its own power unless for breakage.
17. Driver must wait for green flag/starting light from starting flagman before starting run. Leaving the starting line before the green flag/starting light will be an automatic disqualification. No exceptions!
18. Vehicle must stop immediately upon signal of red flag/red light from flagman.
19. **All vehicles are limited to 30 seconds in mud pit under power even if forward movement stops**
20. If any vehicle and/or driver is disqualified for any reason, no refund of entry fee or pit fee.
21. A contestant may be disqualified for either emotional or physical reasons by Competition Director or Track Officials. Example: recklessness; drugs or drinking alcoholic beverages. Any driver or any of his or her pit crew consuming any intoxicating agent, and/ or drugs prior to or during the event will be disqualified from the event- Drivers will be held responsible for the actions of their crew!
22. No one (at any time) will be allowed to abuse any track official verbally or physically. Automatic disqualification! We have the right to fully suspend any competitor.
23. Vehicle must have a rear frame attached hooking device with easy access. If using a cable or chain it must be a minimum chain size of 5/16 inch or 1/2 inch cable size. All tow hook-ups must be secured to vehicle to have strength to tow vehicle from mud pit area without breaking. (Please Note) If hook-up breaks in mud pit, the driver is responsible for reattaching the pull-out cable.
24. If less than five vehicles enter a class, the track reserves the right to pro-rate the purse structure. Trophies will still be awarded, 1st and 2nd.
25. Track Officials will have the option to check competitors for rule violations at any time during the events.
26. The Promoter or Competition Director reserves the right to change any safety rule or rules if they feel it is necessary.
27. Tech Directors will have final decisions on all vehicle classifications.

28. Contest will be governed by track officials and competition director with all decisions final!
Judgement calls are not subject to appeal and shall be final!
29. All vehicles driven in MUST go thru wash-off, No Exceptions!
30. Protest procedures – any participant wishing to protest another participant will be allowed to do so under the following guidelines: Drivers must be registered for the event. A formal protest must be file with the Competition Director, form must be complete, and must be submitted prior to the start of competition. A \$200 cash protest fee will be required. The vehicle protested will be accompanied and evaluated by Buck Motorsports Officials and the driver of the protested vehicle. If vehicle is found to be non-compliant with Buck Motorsports Rules, the driver will need make the vehicle compliant or be eliminated from competition that day. If vehicle is non-compliant the funds will be refunded to the driver who initiated the protest. If the vehicle is found to be compliant, the funds will be split evenly amongst the protested driver and the 1st place purse amount.
31. Most importantly - BE SAFE, HAVE FUN!

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of competition events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events, and, by participating in these events, all participants are deemed to have complied with these rules. **NO EXPRESSED OR WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATIONS OF OR COMPLIANCE WITH RULES AND/OR REGULATIONS.** They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator, or official.

The event director shall be empowered to permit minor deviation from any of the specifications herein or impose any further restrictions that in his opinion do not alter the minimum acceptable requirements. **NO EXPRESSED OR WARRANTY OF SAFETY SHALL RESULT FROM SUCH ALTERATION OR SPECIFICATIONS.** Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final!

GENERAL CLASS RULES

Mud Bog

(UNLESS OTHERWISE NOTED)

1. Vehicle must be teched at track and in the same physical condition as at the time it was inspected for current highway use, if required. Vehicle must be teched with tires on that will be used for competition.
